Headline:
Mainly dry and bright. Patchy light rain later.

Today:
Dry for most of the day with some bright, perhaps sunny, spells especially for the Trossachs. Cloudier around the west coast and over the isles with some light rain here by late afternoon. Maximum temperature 18 deg C (64 deg F).

Tonight:
Clouding over and rain spreading east, heavy outbreaks for a time for Ayrshire. Rain becoming lighter and patchier overnight but quite misty in places. Minimum temperature 9 deg C (48 deg F).

Tuesday:
Cloudy with patchy light rain at first, drier east of Glasgow. Rain mostly dying out in the afternoon with some brighter weather through the afternoon. Maximum temperature 20 deg C (68 deg F).

Outlook for Wednesday to Friday:
Often rather cloudy with the best of the brightness to the east of Glasgow. A little light rain or drizzle possible, mainly over the hills and around the coast.
